Training Schedule: A training schedule will be issued to all students on the first day of the course.

Transportation: CEHC can not move students between training areas. Students need a rental car for transportation to and from the airport (FLW, STL, or Springfield, MO) and in and around FLW. It is recommended that units rent 15-pax vans to move squads of students.

Travel: Please be advised that, when scheduling return flights, the minimum drive time from FLW to the St. Louis Airport is 2½ hours and to the Springfield Airport is 1½ hours, plus a minimum of 1 hour for check-in at the airport. Please allow ample time (approximately 4 hours) to catch scheduled flights after being released from training.

Holidays: Training will be conducted on Training Holidays; these days are **not** recognized as time off. Federal Holidays are the only recognized holidays.

Lodging: The following links can be used to find lodging:
